

## OUTCOME OF SUBCOMMITTEE MEETING September 9, 2008

### CONSENSUS:

Whenever we are on any of the levels (Watch, Warning, Emergency), there shall be a status update by DGS at intervals no greater than four weeks, posted at the DGS website. Responsibility for providing technical guidance for a move up or down from Watch is with WSCC. Responsibility for providing technical guidance for a move up or down from Warning or Emergency is with DAC. Any member of WSCC may request, for reasons to be stated, that the chair or designee call a meeting of WSCC at his/her discretion.
